## RD-PVC-Free

### PVC- Free hard wearing designfloor

RD-PVC- Free is free from chlorine, plasticisers and phthalates and fulfills all the criteria for a healthy living floor.

This highly resistant floorcovering is ideal for commercial projects.

RD-PVC-Free is defined by its innovative technology and design options. Significant development of surface technology produces a special surface structure and resilient anti-scratch coating with an authentic optical effect. RD-PVC-Free is easy to maintain, scratch resistant and extremely resistant to stains.

It can be installed using the Click System on Instalay 30LG / DryBack on Instalay 25HG or alternatively can be supplied with our **MAGNAFLOOR**® magnetic backing to be installed direct to metal raised access flooring or floating on Ezy-Install magnetic flooringunderlay.

### Advantages of RD-PVC-Free

#### PVC - FREE

RD-PVC-Free is free from / Chlorine / Plasticizers and Phthalates. It fulfills all the criteria for a healthy floor

#### DURABLE COATING WITH EMBOSSED SURFACE FINISH

A special anti-scratch coating is applied with the additional option of surface embossing. The surface not only provides a robust (Class 34) finish but provides an authentic structure and optical effect suitable for all commercial projects

#### EASY TO MAINTAIN

The special surface coating makes RD-PVC-Free extremely easy to clean and maintain, resistant to stains and resistant against scratches.
